### Why Check 21?

- No more expensive lockbox fees
- Bank fees are greatly reduced. Some large companies have saved millions of dollars using Check 21 related services.
- Accounts receivable processing is faster, requiring fewer people in most cases.
- For many companies, funding is faster.
- And for everyone, even smaller companies that receive fewer than 500 checks per month, it is simply more convenient.

Netcom *PaySystem* is a public company formed out of a new IPO with United Check Services and Netcom Data Southern . Netcom and United Checks merge to make a progressive national sales and marketing company with all of these listed products to offer at the very best pricing, Netcom remains dedicated to the ISO world of sales.
